

**LONG BRANCH – SLIGO CREEK
NEIGHBORHOOD ASSOCIATION
COMMUNITY MEETING**

Brendan Gamble, Construction Manager

Washington Gas

FEBRUARY 14, 2018

Using Natural Gas Safely

- Natural Gas is non-toxic, colorless, odorless and combustible
- Mercaptan is added as an unpleasant odorant to help detect leaking natural gas
- You are an important part of our safety program
- Remember the 3 R's:

Recognize, React, and Respond!

Introduction

- **PROJECT PARTICIPANTS**
 - **CONSTRUCTION**
 - Brendan Gamble, Manager
 - Rick Ayoub, Supervisor
 - **PAVING**
 - Kevin Bates, Supervisor

Project Coordination

- **Coordinated with Takoma Park and MD SHA**

- Accelerated gas line replacement project
- Submission to PSC for approval

- **MD STRIDE Accelerated Replacement Program**

- Allows for more timely upgrades to eligible utility infrastructure
- Annual Replacement Program – based on system analysis of historical system trends as well as other factors

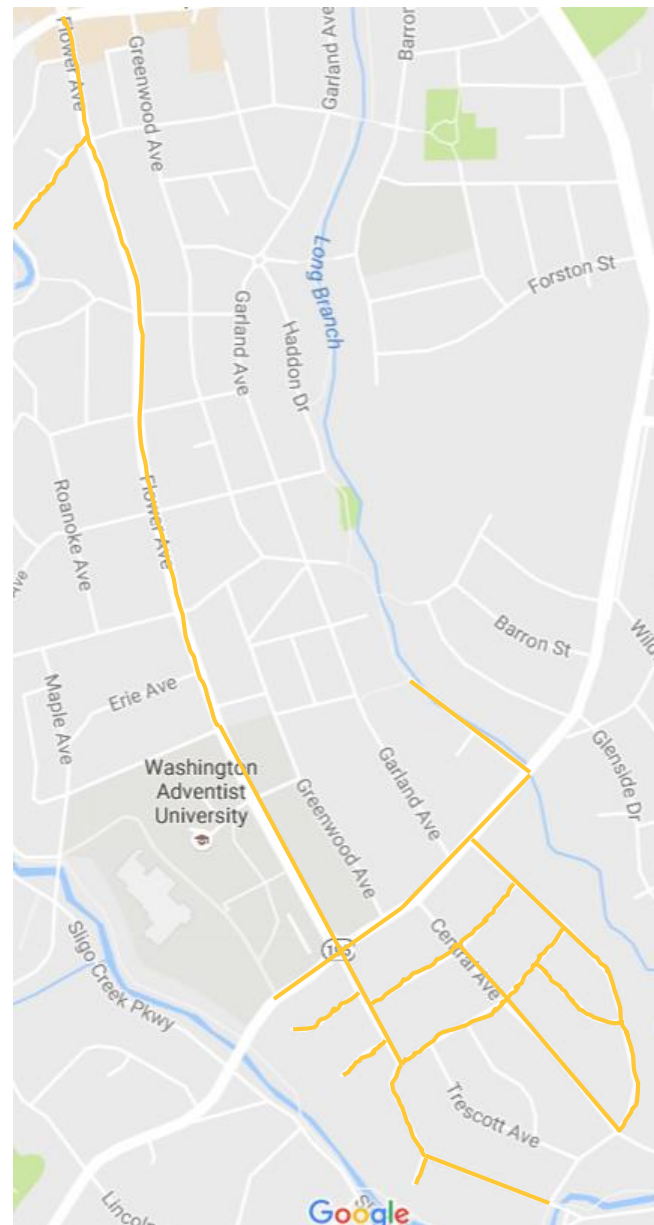

Project Scope & Status

- Replace approximately 29,350 feet of low pressure steel main and 557 affected services
 - Increases reliability and safety
- Installed 29,350 feet of HDPE plastic gas main and replaced 553 services
- Currently abandoning low pressure steel main
- Anticipate completion of construction activities by April 2018

Project Area

Affected Streets:

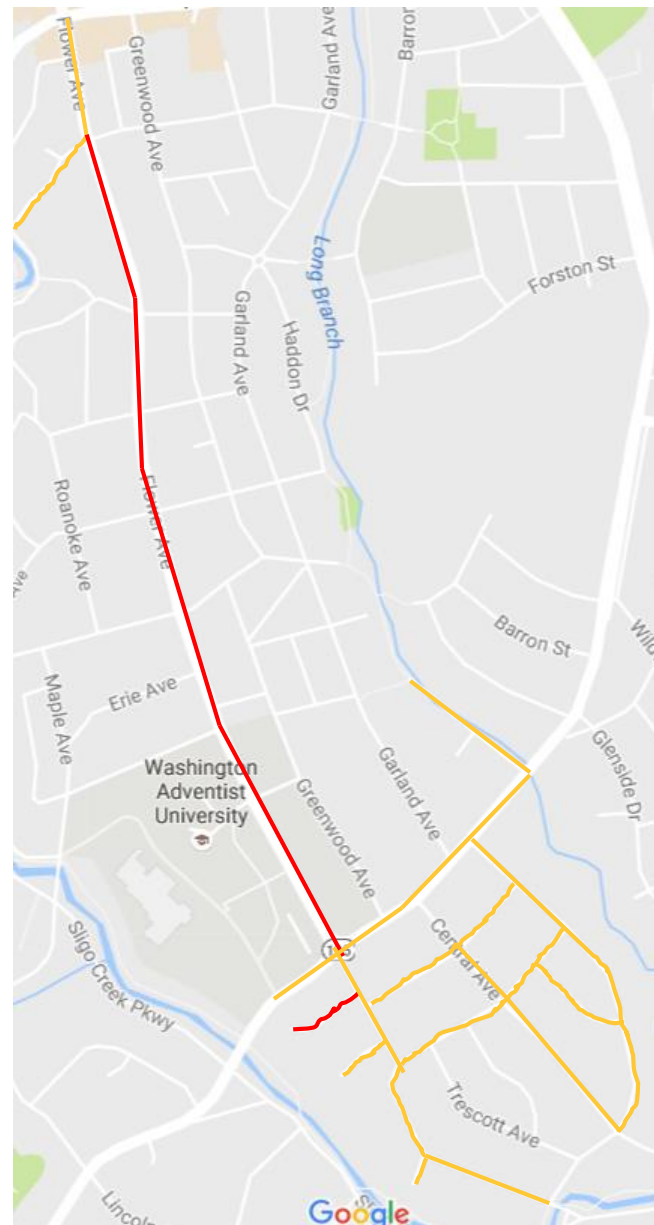

- Flower Ave
- Domer Ave
- Garland Ave
- Central Ave
- Davis Ave
- Jackson Ave
- Minter Pl
- Carroll Ave

Project Status

Abandoned facilities on Flower Ave from Carroll Ave to Domer Ave and Chaney Dr (shown in red)

Anticipate completion of construction activities by April 2018

Restoration

- Property Restoration:
 - Private property and yards will be restored as close to their original state as possible
 - If repairs are not made to your satisfaction, please contact NPL at MDRestoration@gonpl.com

Restoration

- Paving:
 - Road restoration will occur in sections as construction is completed
 - There are approximately 200+/- base repairs remaining, mostly on Flower Ave.
 - Mill and Overlay will take place after all construction and base repairs are complete and as the weather allows.
 - Traffic control will be handled in a manner as to lessen the impact to the community (manpower, detouring, and signage).
 - City of Takoma Park will be notified 72 hours prior to roads being closed , and No Parking signs placed.
